

# medstrom ACADEMY

## Join one of our 2025 Open Education Days

OPEN DAYS

8<sup>th</sup> May

15<sup>th</sup> July

10<sup>th</sup> September

12<sup>th</sup> November

At Medstrom, we're passionate about education and providing clinicians with the opportunity to step away from the clinical setting to reflect on their current practices.

The Medstrom Academy is designed to offer a dynamic learning environment where you can explore innovative ways of working with equipment through interactive, hands-on experiences.

Our goal is to create a truly engaging and memorable educational experience.

**For more information on what to expect at the open days and how to book, see the next page.**

# Our 2025 FREE Open Education Days

**CPD**  
The CPD Certification Service

Located at our UK manufacturing site in Castle Donington, East Midlands, our 2025 Open Education Days are FREE, educational and hands-on days for you and your team.

Build your CPD accreditation (up to 4 hours) whilst enhancing your knowledge and skills on one of these open days.

8<sup>th</sup> May  
10<sup>th</sup> Sep

## The Sciences of Surfaces & Tissue Viability

A deep dive into the causes of skin damage and the effects on skin anatomy and function, whilst providing a greater understanding of therapeutic support surfaces and key considerations when choosing a surface.

15<sup>th</sup> Jul  
12<sup>th</sup> Nov

## How Body Morphology Affects Patient Care

Exploring the impact that stigma and fear can have on effective plus-size patient care, plus how we can enhance patient dignity through improved education and appropriate equipment selection.
