@hsbt (Hiroshi SHIBATA) I haven't been able to replicate this — are you still experiencing it?

#2 - 09/20/2024 09:34 PM - hsbt (Hiroshi SHIBATA)

Yes. I still faced this.

#3 - 09/23/2024 07:06 PM - kddnewton (Kevin Newton)

@hsbt (Hiroshi SHIBATA) is there any way you can open a pull request with a failing test? All of the windows environments I'm seeing on CI are
passing and I'm not currently able to replicate any other way.
