

Kuidas võtta kasutusele uus brauser

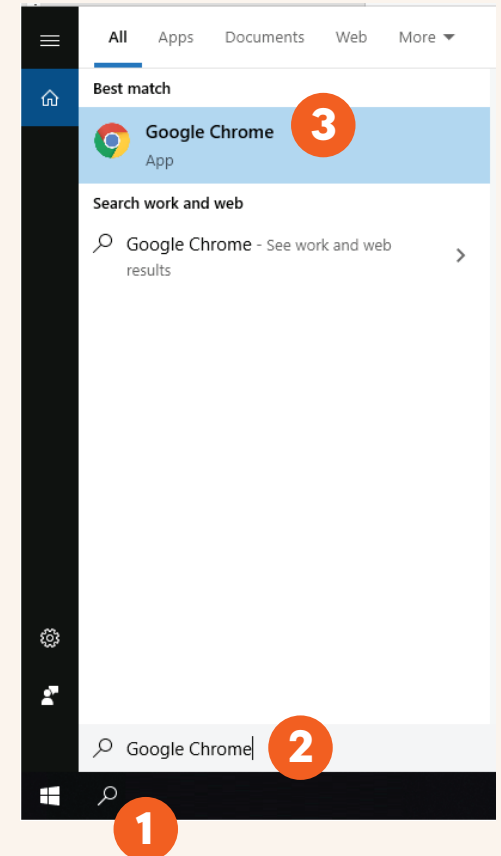

Esmalt kontrolli kas vajalik brauser on juba Sinu arvutis olemas.

Kontrollimiseks sisesta brauseri nimi oma arvuti otsingusüsteemi.

- ▶ Kui otsing annab tulemuse, klõpsa brauseri ikoonil ja brauser avaneb.
- ▶ Kui Sinu arvuti otsitud brauserit ei leia, pead selle paigaldama.
